My Garden Plan Grow Time (spring, summer, year): Size/Scale:

Use this grid to outline your garden.

- 1. Draw the border of your garden space.
- 2. Decide on your plant list.
- 3. Draw shapes to represent plants at mature size (use spacing recommendations on seed package)
- 4. Record dates of plantings
- 5. Record plans to succession plant or replace harvested plants with another type.

Plant	Planting Date	Days to Harvest	Mature Plant Size	Symbol
i.e., French Breakfast Radish	March 20, 2024	55 days	3" diameter
